

RIL Covid Outreach Numbers

July 1, 2020 – June 30, 2021

777	Total cases entered into Peer Place.
973	Bags of groceries delivered (includes resource packets)
1,946	Bottles of Sanitizer delivered
22,500	Masks delivered (includes outreach recipients, individuals, families, and staff)
560	Energy Share Recipients totally \$286,500 (includes open RIL cases)
299	Referrals to VCU School of Nursing for their Covid Related study.
221	Chromebooks provided to students with disabilities in the Richmond Public Schools to replace old, broken or missing laptops.
128	People vaccinated at the drive thru vaccination event and co-sponsored by RIL. 75 people were invited and scheduled by RIL staff and RIL staff were present at the event providing administrative support.
\$29,265	Money spent through our partnership with Chesterfield County School systems to provide additional supports to students with disabilities. We provided needed in-home adaptive equipment to help facilitate a smoother remote learning experience and reduce the potential for physical or educational decline.
11	Laptops given to adults living in supportive housing that enabled telehealth visits, access to employment resources and virtual recovery group participation.
2,000 +	Wellness check phone calls to current and former consumers
